

To my Dutch readers,  
I'm so happy you've chosen *Londen & Seattle* as your next read. This book is my love letter to Seattle, friendships & found family, romantic comedies, and romance as a genre. Writing this book brought me an immense amount of joy and I hope reading it will bring you a bit of joy, too. I'm so excited for you to meet *Brendon & Annie!*

Much love,

*A Billy*
